Dear Parents:

The Giants Ridge Camp is upon us. We have one practice this week on Tuesday—5:00-7:30 or 6:30-8:45. Otherwise, the athlete(s) in your house should focus on rest, tuning skis, packing, and homework. Please be sure your sons and daughters speak with their teachers in advance of Friday's absence from school. The athletes are taking a coach bus to and from GR, so studying on the bus is an option.

The MAST Board is asking the parents and families who are traveling to Giants Ridge for some assistance on a few matters.

### **Lift Ticket Coordinator(s) Needed**

We need one or two people to coordinate the tracking, collection and distribution of lift tickets to parents and family members. (You do not need to track lift tickets for athletes and coaches.) Please send me an email if you would be willing to offer you help here:

[markrobertconway@msn.com](mailto:markrobertconway@msn.com).

### **Who Needs Lift Tickets?**

Attached is a lift ticket request form. In the past we have been able to purchase lift tickets at a rate of \$25/day. I was told in the fall that the rates were holding steady. I will confirm this on Monday. For children, it may be cheaper to purchase multi-day tickets in the chalet. Please fill out the form and return it to me (Mark) by Thursday evening at Giants Ridge. Thanks.

## **Meals for Attending Parents and Family Members**

Athletes and coaches are already included in the head count for meals. We need to know how many parents and family members to include at each meal. We will be serving:

Breakfast: Friday, Saturday, Sunday

Lunch: Friday, Saturday

Dinner: Friday, Saturday

To participate in the MAST meals plan, please send an email to Greg Anderson at [greg.anderson@heraeus.com](mailto:greg.anderson@heraeus.com) indicating which meals you plan to enjoy and how many people for each meal. The team is asking a meal fee of \$7 per meal per person. Please respond by Monday, January 21. Sorry, I didn't leave you much time.

## **Finger Food Desserts Needed**

The Food Committee is asking parents to send or bring desserts for the meals. These should be finger food style desserts only like brownies or cookies. Please no frosting or anything requiring the use of a fork or spoon.

## **Camp Participation Distribution List**

Parents attending the Giants Ridge outing that would like to be on a distribution list establishing who is there and how to contact each other should send name and cell number to Raquel Counihan at [Counihan@ieee.org](mailto:Counihan@ieee.org).

## **Sports Dorm Lodging For Parents**

I hope I have tracked this correctly. Listed below is a count of PARENT occupied rooms in the Sports Dorm. The first five families are guaranteed a room. Joe and Kent: I am hoping to have a room for you, but I can't guarantee it yet. We had an influx of registrations in the past week that makes it a bit tight right now. I will know more by Monday. If this list is inaccurate in some way, please get in touch with me immediately either by cell or email.

1. Conway-Reeve Household
2. Goodnow-Hiestand Household
3. Savage Household

4. Polland Household
5. Mahoney-Mosedale Household
6. Pending: Joe Lazur and Kent Svee

Thanks All.
