

## **Minneapolis Alpine Ski Team Recommended Ski Tuning Supplies**

***Cotton Rags*** (to wipe down skis daily; to wipe skis when filing)

***Vises and Ski Brake Retention Device***

***Spray Bottle*** (from drugstore; fill with distilled water to keep edge cutting tools wet)

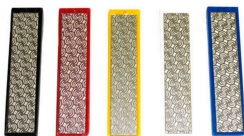

***Side Edge Beveler and Spring Clips***

***6" Side Edge File and File Brush***

***Diamond Stones*** (coarse and medium grades recommended)

**Iron** (need temperature control—never heat over 150F)

**Waxes** (Swix BP 88, CH 7 and CH 8 Recommended)

**Acrylic Scraper and Sharpener**

**Brush(es)** (brass, nylon, horsehair, combination)

**Fiberline Cloth** (to wipe ski base before waxing)
